

Upgrade to the Perfect Floor Care

HEPA AirClean Filter with TimeStrip

Designed to create a comfortable environment for people who suffer from pet allergies and dust pollen. The Class 13 HEPA AirClean filter retains 99.999% of all particles and comes with the innovative TimeStrip to indicate when the filter needs to be replaced.

Exclusive
to Miele

Greater manoeuvrability

360° castor wheels on steel axles for maximum manoeuvrability.

AllTeQ Floorhead

Miele's universal AllTeQ floorhead delivers impressive results on a wide variety of different floor types.

For flawless flooring, you want maximum power but without the hassle. Your family gets to enjoy clean floors free of allergens and the lowest noise emission levels with the Miele Floor Care systems. Intelligent and automatic settings, ergonomic designs and durable construction make vacuuming not only a breeze, but also a joy.
